Safety Planning Training Rhea and Nichelle Multnomah County Victim Advocates.

Victim Rights:

- Fair impartial treatment
- Reasonable protections
- Prompt restitution
- Support Person
- Notify of release from custody
- Notify of hearing
- Can make Victim impact statement at hearings
- More information about JII than general public.
- Consulted on Plea deals.
- Can have JII HIV tested in case of Sex Offenses.

Safety Planning Principles:

- Refer to an advocate
 - Don't blame survivor
 - Trust that survivor knows best
 - Be mindful of Confidentiality
 - Know your limits
 - Understand the impact of Trauma
 - Prepare survivors for possible outcomes, and expect the unexpected.
 - Always leave the door open for future interactions.
-
- As PO's we may not want to be safety planning die to our role.

System Resources:
